create a stunning personal website in minutes
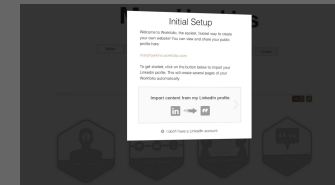

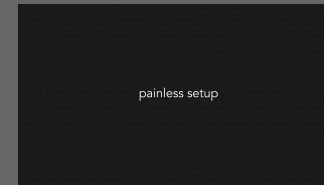

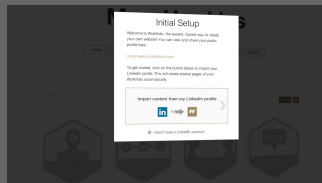

painless setup

Workfolio logo animates on.

Checkerboard of Workfolio pages pop in.

Import from LinkedIn.
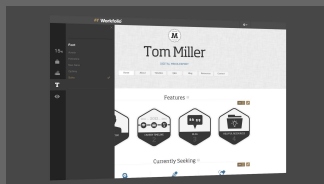

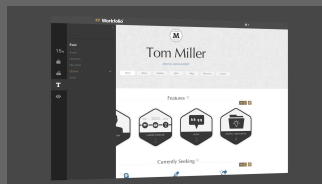

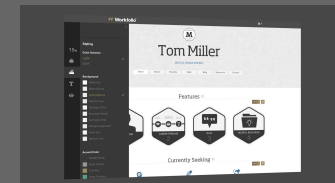

choose from beautiful styles

I'd like the original files for these so I can zoom in losslessly.

Names and badges pop into place.

Tom chooses his look: light/dark, font, mosaic?

customize your content

Drop and drag in mosaic look. I can animate that if we need it.

"Currently Seeking": chosing options.

dress to impress on the web

workfolio.com

Tagline animates on, transitions to logo, url animates in.
